FINANCIAL GOAL

Ask God what it would look like for you to give in a way that stretches your faith!

Use this gift chart as a simple guide along the way. Think of it less as a chart and more as a tool to help you grow.

Let this guide spark ideas, deepen your trust in God, and encourage you to take a next step toward greater generosity!

Primary Goal:

100% ENGAGEMENT

Into the Fields isn't a campaign for a few. It's a faith journey for every single one of us.

Our prayer is that everyone who calls Embrace home, 100% of our church family, engages fully in this initiative through prayer, owning the vision of this new campus, and asking God to stretch you in the area of giving to make it possible.

Secondary Goal:

THE FINANCIAL GOAL: \$25M

Raise \$25 million to build a new broadcast campus, relentlessly reaching the next person for Jesus in one of the fastest-growing areas of the city!

Lord, what gift would be pleasing and honoring to You?

My/Our Commitment

I/We commit to give over-and-above our current giving to Embrace for the next three years in the following way:
